# Autumn

■ Campus gates are flung wide! The college hails at once the advent of autumn and a new Freshman throng. The one touches her trees and lawns with the last intense coloring of a year that is closing. The other awakens her quiet halls to the stir and activity of a year that is beginning.

ATHLETIC DIRECTOR ROBERT L. BROWNE

Coach Browne has not only identified himself as Director of Athletics, during his soujourn at SOUTHWESTERN, but has also combined the numerous duties of this position with those of Track Coach. For a number of years his track teams have enjoyed enviable reputations and for the past two years have held the title of "S. I. A. A. CHAMPIONS".

The SOUTHWESTERN RELAYS, under the monagement of Coach Browne, has developed into a track meet of renown throughout Athletic circles. Under its bonner are brought together teams from many of the larger universities of the South, including numerous nationally known athletes. Features of this meet are sportsmanship, plus the dominating factors of rivalry and keen competition.

Coach Browne is deserving of commendation for his development of Southwestern's Track Teams, and may they continue to predominate in the Southern Inter-Collegiate Athletic Association.

Coach T. F. Wilbanks, for five years football coach at S. L. I., is a true son of Louisiana. Coach Willie was born in Rapides Parish, played football at Centenary and L. S. U., and started his coaching career at Baton Rouge High School. Next season he looks forward, for the first time since coming to S. L. I., to a squad carrying same weight. The fall of 1935 found nineteen men missing, by graduation or other causes, from a squad of 26. During the season the two regular ends were lost through injuries. Next season's casualty list should be far less. Spring training showed five missing from the squad. With this nucleus and new material coming up from the freshman ranks and from Junior Colleges, S. L. I. should be able to look hopefully toward the season of 1936.

Coach J. C. Reinhardt came to Southwestern Louisiana Institute five years ago and immediately identified himself with the Department of Physical Education for Men and Varsity Basketball Coach.

Coach Reinhardt's Basketball teams have always shown evidence of a superior style of play and individual cleverness.

Southwestern has never been blessed with a great supply of Basketball material, especially adopted in the art of goal shooting. Many of his players have been developed from very crude and mediocre performers during their freshman year.

## FOOTBALL

### Thenes Hajecate

"Mick" Hajecate served our team admirably and was elected honorary captain by his team mates. He is one of the best tackles in the S. I. A. A., as well as an inspiring leader. More power to you next season Hajecate! We are expecting you to lead that team to many victories next season.

### Curry Moreau

Curry Moreau, end on the squad, played his second year of football and fought well and hard for his team mates and school even though he was handicapped throughout the season by minor injuries. May we wish him all the luck in the world during his marital life.

### Edgar Douglas

Eddie Douglas, another end on the squad. He was one of the bulwarks of the forward wall and many a pass was received by him. A knee injury prevented his playing in the latter half of the season, but his heart and soul were always with the team.

### Aylmer Adkins

"Shorty" Adkins, a blocking back and quarter back, played his last football for Southwestern this year. When he leaves his athletic ability will be greatly missed on both the football field and track. Adkins is the type of man who helps build a real team. He paved the way while others received the glory. More recognition is due you Shorty.

### Raoul Landry

"Cow" Landry, a three sport man of great versatility, played his first football for Southwestern this season. He will be a hard man to stop next year. His speed and knowledge of the game have made him a very valuable man.

### J. Y. Duncan

J. Y. Duncan, playing his sophomore football handled the terminal post like a veteran. He is a cool headed player and is capable of skillful playing under all circumstances. He is a three letter man, and from all appearances recognition will come to him in track before graduation. Give us more cool headed athletes like Duncan.

### Delbert Jackson

Delbert Jackson, a first year man on the varsity squad, seemed to be the general utility man. He played as a guard, end, and a back during the season, and was capable of filling any one of these positions successfully. He will be with us again next year.

### Albert Zock

"Al" Zock, a hard-driving back and a determined passer, leaves our school this spring with a great deal of respect from all of our opponents. A good pass from Zock has resulted in many Southwestern victories. His defensive skill gave him a berth in L. S. U.'s all-opponent team, and the students of that school have given our institution the name of "Zackwestern."

### James White

Jim White. Ability to kick, and pass were shown by Jim White, halfback. His kicking will be instrumental in helping the team to victory next season.

### Greene Lambert

Greene Lambert, one of our ablest tackles, we shall greatly miss. He played the game well. His weight and fight kept him in every game for sixty minutes. May we be blessed with more men of his ability.

### Stanley Cresap

Stanley Cresap, even though he is the lightest back on the team, came through with many thrilling dashes to the goal line. When the blocking was good enough to get him past the first line of defense, his snake hips carried him on past the secondary. We predict a great season for him next year.

### Ralph Weber

"Cow Boy" Weber is one of the most valuable men on the team. He proved his reliability by taking over the center position. He stood out in every game adding great strength to the line. We expect great things from him next season.

### Mosby Lindsay

Mosby Lindsay, a two sport man, could carry the ball with speed and drive, and block in such an outstanding way that his services will be missed tremendously next season. Our hope is that this determination and versatility will carry him through the rest of his life.

### Sidney LeBlanc

Sidney LeBlanc, playing his first year of varsity football at a guard position proved to be one of the most reliable men on the squad. He is a two sport man, and builds up his endurance for football by running the distance events on the track team.

### Henry Williams

Henry Williams. Although this was his sophomore year, he played good, hard, clean football at a tackle berth. More power and drive that will take him places next season is our wish.

### Robert DeRouen

Robert DeRouen is our scrappy little back who served his first year and stands out as one of the most promising backs for the team next season.

### Dawson Smith

Dawson Smith played a guard position and filled it in a spectacular manner. He is expected to be one of the better linesmen on next year's squad.

### Verne White

Verne White, while not playing in many games was always ready to give his best for the team when called upon. We will never forget his outstanding exhibition in the Louisiana College game.

### Harry Saucier

Harry Saucier, the man mountain of the squad, saw service in almost every game. We are looking forward to his playing in one of the tackle positions next year.

### Joe Johnston

Joe Johnston was just a substitute, but when called upon was ready to do his part for a victory. More power to you next season, Joe.

### John Cadenhead

John Cadenhead returned to school this year to play his first year as a varsity back. He didn't get in many games, but was always ready and willing when the call came.

### Alton Cline

Alton Cline, a sophomore guard, with possibilities, will return again next season to try to beat some regular out of a position. Lack of experience was the big handicap that Cline had to overcome this season.

### Linton Sarver

Linton Sarver, a reserve 190-pound tackle, spent most of this season in learning the fine points of the game. A knee injury in the early fall practice handicapped him considerably. With his ruggedness and desire to be in the thick of it, he will make a good man next season.

### Norbert Orillion

Norbert Orillion, one of the fastest men on the squad, was converted into a back, but lacked the experience to make himself a regular. He showed signs of being a marked player in the few games he was in. Next year will be his junior football season.

# VARSITY FOOTBALL SQUAD

We were all very happy when the 1935 football season was over. With fourteen lettermen of the fine 1934 squad missing, Coach Wilbonks had little to look forward to when the call for recruits was made last September. All of his outstanding stars and spark plugs were missing, and there were very few experienced men to come up from the 1934 frosh team. Our losses exceeded our wins, but we can be thankful that the foundation is built for next season, with good freshman material coming up. Spring training was o huge success. A squad of thirty-five men were out every offer-noon, renewing their knowledge on offensive and defensive charging, blocking and tackling, and perfecting the timing of their plays. Prospects look quite a lot brighter for a consistent winning team next foll.

## FRESHMAN FOOTBALL SQUAD

Under the tutelage of Coach Cassie Bass, the Southwestern Freshmen enjoyed a successful football season. The Bullpups did not play until November 7, and this inaction kept the freshmen busy preventing the boys from getting stale.

The Pups first engaged the Opelousas Athletic Club and were defeated by a close score. Then they played two college freshman teams; first, the Louisiana College Kittens, from whom they won; next, Louisiana State Normal College to whom they lost only after a hard battle. The final game was with Hamer High School on Thanksgiving Day. It was in this contest that the Bullpups really found themselves.

Among the most promising candidates for 1936 varsity are: Backfield—Adkins, Texada, Turner, Lacaur; Line—Bell, Ridge, Gentry, Damingue, Stewart.

The 1936 schedule, with results, was as follows:

			S. L. I.	Opponents
November	7	Freshmen vs. Opelousas A. C.....	6	12
	14	Freshmen vs. La. College Freshmen.....	6	0
	21	Freshmen vs. Normal Freshmen.....	0	6

# T H E ' ' S ' ' C L U B

Across the pages of Southwestern athletic history flash the names of scores of great athletes—Keener Cagle, Johnny Marriss, Dudley Wilkins, Tut Richardsan, Dick Cavington and others stand out vividly in the march of time. These famous athletes are only a few of the same four hundred letter men who make up one of the largest groups affiliated with Southwestern.

These names are mentioned as symbols of the spirit behind the organization known as the "S" Club. The organization, while inactive as a body during times of comparative harmony and tranquility in Southwestern history, has risen on occasions to throw its support solidly behind the institution which has nurtured its members during the fledgling days of athletics at Southwestern.

The present alumni group of the "S" Club is under the care of Rex McCullaugh, Jr., as president, Gladu Dupuis as vice-president, and Levi Jordan as secretary-treasurer.

All letter men are eligible to membership. Football, basketball, boxing, track and tennis letter winners have been admitted. The campus athletes who have earned letters have a junior organization which is affiliated with the alumni group.

No history of the "S" Club would be complete without mention of Tam Cambre. Cambre, only four-letter man in Southwestern history, has been for many years the guiding spirit behind the activities of the club. He has untiringly devoted his time to the needs and organization of the club. Mention should also be made of Gus Trahan, Henry Lemman, Nig Bujard, Levi Jordan, Rex McCullaugh and Vincent Saia. These men re-organized the "S" Club in the dark days of Southwestern athletic history (1932-33) and have kept it alive with unselfish devotion to the athletic tradition and at a sacrifice to personal interests.

The pages of the "S" Club history are filled with many interesting tales of athletic heroism but the legends of its men will be handed down through the ages by word of mouth, gaining color with each telling and like the sagas of the Greek heroes will live forever where athletes gather.

# Winter

■ As Autumn gives place to winter, the out-door campus scene shows signs of change. Gold and scarlet surrender to brown and gray. Against this sober background, half-formed plans and scattered thoughts give place to serious aims and studied executions.

It is no secret that through the fog of last season, Cooch Reinhardt was looking ahead. He has laid the foundation for 1936-37 and we are quick to add, it is a firm one that he has constructed. The return of six of the conference's outstanding sophomores, one guard, J. Y. Duncan, two centers, Harry Soucier and Vernon Bell and three forwards, Roul Landry, Fred Cowart and Jim Richard should make the face of our coach and fans brighter.

Cooch Reinhardt should take special pride in his foundation, for he built it with a limited supply of material; Mosby Lindsey being the only candidate back from the good 1934-35 squad.

During the seven games in the first semester, our team had its eye on the basket for only one game, but that victory should forestall all defeats since it was against Tulane University. In the game with Loyola University, the sophomores performed as they are expected to all through the 1936-37 campaign, defeating an undefeated Loyola team by a fair margin.

The season's schedule with results follows:

December 16—Southwestern.....	28	Tulane .....	40
December 17—Southwestern.....	41	Tulane .....	28
December 18—Southwestern.....	28	Louisiana State .....	43

Captain Masby Lindsay's shoes will be hard to fill next year. He was the only regular from the well balanced 1935 team and it was his big job to carry the team of sophomores all through the season. Masby never was an exceptional shot, but he made up for that by being the most aggressive and best defensive man on the squad. His coach usually gave him the assignment of covering the outstanding star of each team and the job that he did was usually superb. Lindsay was a leader out there on the hardwood floor, guiding his band of sophomores along the lines of clean sportsmanship, stimulating them in the ways of cooperation with one another and their coach. He has a brother at the Lafayette High School that has the same ruggedness and grit that is his. In another year he graduates and it would be an honor to the school and to the athletic department to have him with us.

Jim Richard, playing his first year as a regular on the varsity squad has shown flashes of being one of the outstanding basket shooters on the team. We hope that he will duplicate those nights he had against Tulane University more often. Richard played in only seven games and when the individual scoring was tallied he was second. This alone gives some indication of his goal shooting. He will be back with us again next fall.

Harry Saucier, also played his first year of varsity ball. He has come to Southwestern with very little coaching and experience but he was a very worthy player to the team this year. As each game was played he improved and his experience in this past season's games will help him a great deal this coming season. Due to his six-foot-three-inch frame, he was used as a center.

## BASKETBALL

Merritt Beadle, senior guard on the 35-36 squad played his first season under the red and white colors. Due to outside work Beadle could never come out for the varsity squad until this year, but all the experience that he had picked up while playing with independent teams made him a valuable man. Merritt had his on and off games, as all first season men do. He still wears the wreath of honor for annexing a total of fourteen points that paved the way for our victory over Tulane. Beadle finished seventh in individual scoring with a total of 42 points in thirteen games. We are sorry to say that graduation will take Merritt from our court next season.

J. Y. Duncan, had a back court position on this year's club, and proved a very worthy defensive man as a sophomore. He was far from being a polished player when he came to us, but some of the rough spots have been removed and undoubtedly his finesse both offensively and defensively will be markedly improved. Duncan was fifth from the top in individual scoring with a total of 46 points in fourteen games. Jerry is one of our few three sport men, his best being track, basketball second, and football comes last. Being a three sport man has made a great competitor of this man, the game can never become too rough for him, he likes to be in the thick of it all. Clean sportsmanship, cooperation with his coaches and the school, and his showmanship have made him one of the best liked men on our campus.

Raoul Landry, a junior forward was the other letter man, beside Lindsay on the team. His playing was considerably hampered during the first semester, due to an ankle injury sustained in the Tulane game, but during the second part of our season he played hard and fast to make up for the last time. When Richard left us, Landry took over his assignment as the offensive forward. His speed and ball handling ability gave him many opportunities to score, which placed him third from the top in individual scoring with a total of fifty points in nine contests. Landry also takes part

in football, and excels in the dash events on the track. Many great things are expected of this athlete next season.

Fred Cowart, a new athlete on our campus, is a transfer from the Pearl River Junior College of Poplarville, Mississippi. Although small in stature, Fred makes up for his size by speed and aggressiveness. He got a slow start this season since it took time for him to learn the Southwestern style of attack, but as he picked it up and became a regular on the starting five and one of the most valuable men to the team.

Vernon Bell, starting his varsity competition the second semester proved a very worthy member of the team. His height and ruggedness was a great aid to the squad in alternating with Soucier at the center position. Bell has practiced consistently as a one-hand shot and this shot alone proved the doom to the undefeated Loyola University team when he sank five in a row. He will be with us two more seasons.

Albert Zock, our outstanding football player, transferred his aggressiveness to the hardwood floor as soon as the season started. Zock is also another of our three-sport men, his best sport being football. He showed advanced improvement as the season went along and if he were back with us again next season his game would surprise most of us.

Jimmie White, a first year man on the squad had to work off his inexperience before he began to look good. Jim plays a defensive position on the squad and when he substituted for any of the first team he usually took up where they had left off, doing his job in great style. With a fair basket eye, poise and coordination he has great possibilities. We hope that Jim turns those possibilities into actualities.

## BASKETBALL

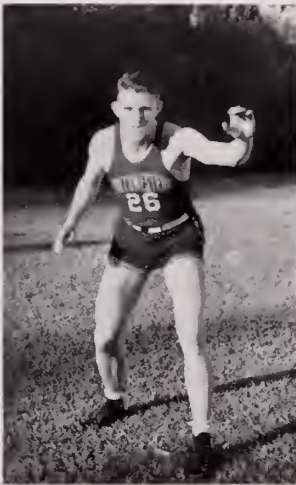

Narbert Deshatels, another of those Kaplan High products, played his second year of varsity basketball as a reserve forward. A keen eye for the basket and excellent ball handling made him valuable to the squad in many ways. If he were a bit taller and had the ruggedness he would probably have been a regular. We wish Narbert lots of success for his final and last season of basketball.

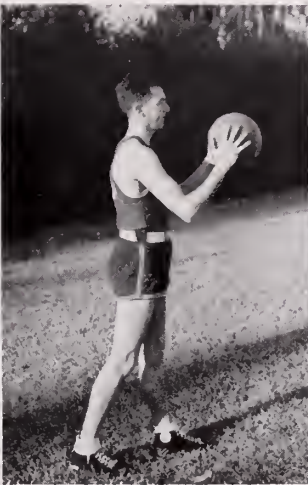

The individual scoring record is as fallows:

	Goals	Foul Goals	Fouls	Total Points	Games Played
1. Lindsay .....	22	17	43	61	14
2. Richard .....	21	12	15	54	7

## FRESHMAN BASKETBALL SQUAD

LaRue Donald, the frash caach, gave us one of the best freshman aggregations that Southwestern has had since the day he was a first year man himself. With men like Evans, Yaung, Reeves, Duhan and Dixan, he farmed a warthy freshman team. Evans was high individual scorer far his team with a total af seventy-three paints to his credit in seven games. Yaung and Reeves were stabilizing back-caurt men while Duhan and Dixan played forward positions. Reliable reserves an the squad were Stewart, Patin, Shirley, Bacan, and Martinez. We are absolutely sure that if all these men return next season, they will give those varsity men returning a battle far their positions. Aggressiveness, team wark and the will ta win has been inserted into these frash players by the farmer varsity ca-captain. The new life, fire and zip that they will give aur team next year will add greatly toward Southwestern winning the majarity af its games.

## PHYSICAL EDUCATION FOR WOMEN

MISS HUGH D. McLAURIN.	Head of the Department
MRS. JOYCE H. DALFERES.....	Instructor
MRS. VESTA R. BOURGEOIS.....	Instructor

The Women's Athletic Association of Southwestern coöperates with the Department of Physical Education by promoting a practical health program of sports for all women students. In addition, the organization with its purely voluntary membership has a far-reaching purpose of its own. The association is concerned only with voluntary participation in athletic activities, laying special emphasis upon those which may be continued after college days.

As a member of the Athletic Conference of American College Women, the association is pledged to non-participation in inter-scholastic games and is active in the movement to abolish the highly competitive games which have been found to result in the physical detriment of adolescents in secondary schools.

The Women's Athletic Association, through its varied activities, aims to cultivate an enduring sport habit in women students of Southwestern until all are participating in sport—for health, for skill and for fun.

## W O M E N ' S   A T H L E T I C S

On February twenty-second the members of the Women's Athletic Association were hostesses to all women students at their annual calanial ball which was held at the Elks Home. A formal garden scene formed an attractive background for the costumed dancers.

Later in the month, the association was hastess to the visiting high school teams. Officials were furnished for the games sponsored by the extension Division of Southwestern.

Remaining events on the W. A. A. program include intramural tennis, basketball, and baseball games upon which occasions the dormitory and town teams will participate.

Stunt Night, Gym Night, and the Cypress Grove pageant are all annual events yet to come. The awarding of the emblems at the final W. A. A. assembly in May will close the program of the association.

Physical Education for Women includes the many and varied activities for the better development of women students. Tennis, basketball, archery, and dancing form the major activities of the department and the pictures above show the manner in which these are carried out.

# THE LIVE OAK

(*Quercus virginiana*)

Hail sylvan lord of Louisiana land,  
Majestic mass-clad live oak green and gray,  
Historian of bayou, gulf and bay,  
Along whose banks thy stately shades expand.  
Thy beauty, strength, and character command  
The grateful homage Man must ever pay  
To Nature for the Everlasting Yea  
That bids him search and seek to understand.  
What span of life along the slumbrous Teche  
Hast thou enjoyed, or on fair Avery's Isle?  
What changes hast thou known, what stress endured?  
What legends from thine ancient past conjured  
Can all our sense of mystery beguile,  
O leafy oracle forever fresh?

RECEIVED

January 27, 1936

Mr. Byron Williams, Jr.  
Business Manager, L'Acadian  
Lafayette, La.

Dear Mr. Williams:

Well, I've done my best, but I'm still not sure. It's very difficult to eliminate any of your southern beauties. The photographs are being returned under separate cover, numbered as selected.

I had to call for assistance, so Wally Westmore, head of the Paramount Makeup Department, and of the House of Westmore, Hollywood's Ace makeup artist, has made the following suggestions. Our artists, has made the following criticisms. Our joint comments and constructive criticisms may be interesting for your story. While all the young ladies are beautiful, we see possibilities of their being even more so, and some of the selections are based on these possibilities, rather than the photographs submitted.

I don't know what future the young ladies plan. They all show fine possibilities, and should they desire to become movie queens, which is possible, they might follow these few suggestions.

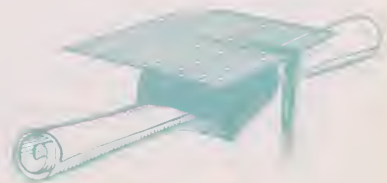

Here's hoping you aren't mobbed for suggesting me as a beauty picker.

Best wishes -

Yours sincerely,

*Bing*

## V A R S I T Y T R A C K

For the second consecutive year, Cooch Browne's stellar track team was crowned the undisputed champions of the S. I. A. A., by running rough shod over all competition, piling up a total of 75 points, the largest ever made by any college in the conference meet. This was a dazzling and spectacular year for the proteges of Cooch Browne. Beginning with the Reloy Cornivol and finishing brilliantly at the S. I. A. A., the Southwestern team showed heel dust to practically all competition. The Red and White broke more records in 1935 than ever before.

To start the dual meet competition, a flu-stricken Southwestern team was defeated by a strong L. S. U. team 68 to 49. The next meet was between the Normol Demons and Bulldogs. The Demons were a little weak and suffered its worst defeat ever administered to a Normol team when they went down before the onslaught of the Bulldogs by the score of 104 to 8.

The next foe to invade Lafayette was Louisiana College. After a fair start, they found the Red and White performing superbly and were trounced by the score of 79 to 32. Southwestern entered the S. A. A. U. at Baton Rouge and made a splendid showing in big time competition. They did not reach their peak however until the following week at the S. I. A. A. at Alexandria. The Bulldogs were at their best and completely dominated practically every event.

In view of the splendid performance turned in by the entire team and the records they set up for the future teams of Southwestern to shoot at, we say congratulations! To Coach Browne who has been so ably supervising the destiny of our track team, we say, well done!

### Aylmer Adkins

Shorty high jumps for the varsity. It is nothing short of miraculous for a man with his build to jump 6 feet 1 inch consistently. Shorty holds the S. I. A. A. record. He has another year of competition.

### Merritt Beadle

Beadle has been throwing the "spear" for Southwestern for three years. He has been a consistent winner, throwing the javelin 180 feet or better.

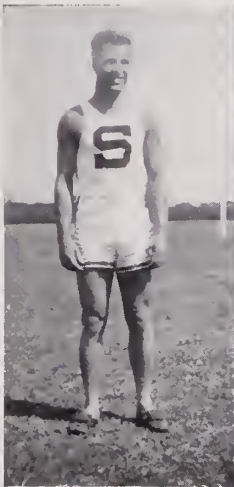

### Thomas Bickham

Big Tom was Coach Browne's best bet in the weights. He broke his own record at the S. I. A. A. this year. A consistent man at 140 feet, Tom has sailed the discus 155 feet at times. Tom will be lost to the team next year.

### Lyons Carver

Carver has run the mile for the varsity for the past two seasons. This year he shifted to the two mile and placed for S. L. I. at the S. I. A. A.

ADKINS

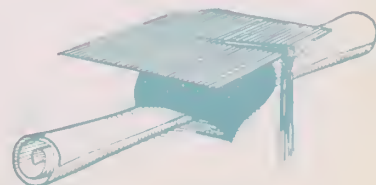

BEADLE

BICKHAM

CARVER

### Stanley Cresap

Stanley sprints and runs the low hurdles and does a good job of both. He is a consistent 25 flat hurdler and won several races last season. He has two years of competition left.

### Raoul Chauviere

"Rap" has developed into one of the best hurdlers in the South. A consistent 14.9 hurdler, Rap has won practically every race he entered.

### A. T. Delcambre

Delcambre is considered one of the most consistent point winners ever to wear the red and white. He is the conference champion in the 220. He also set a new record on Junior Day at the A. A. U. in the 400 meter hurdles. Southwestern bids farewell to one of its best all around athletes and to the captain of the 1935 track team.

### LaRue Donald

Shot and discus. He does right well with either one, the discus being his favorite. He has achieved a 140 foot which isn't bad. Sorry you won't be with us next year "Slim."

CRESAP

CHAUVIERE

DELCAMBRE

DONALD

### J. Y. Duncan

Broad jumper deluxe and hop, step, and jump artist. Jerry set a new relay carnival record the first time he jumped for Southwestern. He is a consistent 24 foot broad jumper and 48 feet in the hop, step, and jump is easy for him.

### Sam Fertitta

Crack quarter-miler and relay man. Sam was the fourth man on the crack Varsity relay team that set a new S. I. A. A. record.

### Lewis Graham

"Doc" is probably the hardest worker on the team. Not gifted with an overabundance of ability, he has developed, by constant work, into a good half-miler.

### Edgar Hoke

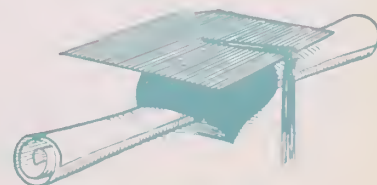

This was Hoke's first year on the varsity and he did remarkably well. Although pole vaulters were unusually good in this conference, Hoke's 11 feet won points for him in every meet.

DUNCAN

FERTITTA

GRAHAM

HOKE

### Joe Johnston

Joe broke the S. I. A. A. record in the mile run in his freshman year. The new record of 4.29 is splendid running for the mile. That was probably the fastest mile run in the South last year. Good luck to you, Joe!

### Raoul Landry

Just fire the gun and let him go. "Caw" can run any race from the sprints to the two mile. A consistent 49 flat quarter miler, he can do far below 2 flat on the half. Landry ran anchor man on our crack relay team last year and we expect great things from him in his remaining two years of varsity competition.

### Sidney Leblanc

"Sid" runs any race from the quarter on up. He is considered a two flat half miler as well as a good miler. He was handicapped last year by an operation but is expected to accomplish great things this year.

### Pierro Lorio

Lorio's specialty is the javelin. He heaves it a 180 feet with room for improvement. We expect you to get 200, Bud!

JOHNSTON

LANDRY

LE BLANC

LORIO

### Vaughan McCutchan

Vaughan made his letter in his first year on the varsity. He took first in several dual meets and placed in practically every sprint he entered.

### Norbert Orillion

Sprinter, quarter miler deluxe, and 23.9 low hurdler—that is Toby. Toby also set a record to be rivaled at the A. A. U. He is one of the quartet that set a new record in the mile relay at the S. I. A. A. Toby has another year of competition before him and we shall be watching him.

### Edward Suir

"Jump Gun" runs the 100 in ten flat consistently. He was varsity's number one sprinter and broke the tape in practically every meet.

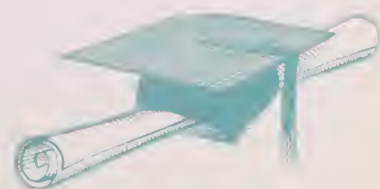

### Sam Wilder

Sam is a two miler and a good one. He was conference champion in 1934 but was handicapped by illness in 1935 and couldn't regain his old-time form.

McCUTCHAN

ORILLION

SUIR

### Frank Summers

Frank ran the high hurdles consistently around 15 flat. He was a sure point winner in dual meets and improved with every race. He will not be with us next year.

### Dudley Wilkins

Stellar broad jumper and Olympic prospect in the hop, step, and jump. Dudley has jumped with the best and usually came out the best. He was somewhat handicapped by a pulled muscle this year, however, but should regain his old form. See you at the Olympics, Dud!

### Albert Zock

Undefeated S. I. A. A. Champion. Zock has yet to be defeated since he shifted to the two mile.

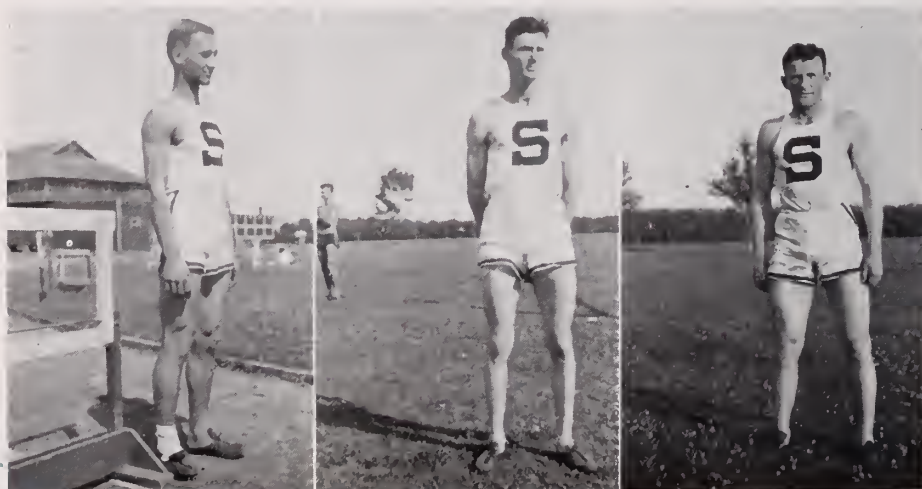

### Edward Clements

"Dude" has been doing sprinting and pole vaulting for Southwestern. He is a consistent 12 foot vaulter and has won practically every time he vaulted. Dude is an excellent competitor usually doing his best when the going was the toughest.

SUMMERS

WILKINS

ZOCK

## F R E S H M A N   T R A C K

The Southwestern Freshman Track Team made a fair showing in dual meet competition and at the S. I. A. A. meet. A very small number of men formed the nucleus of the team. "Bud" Johnson was the shining star of the yearlings. He was considered a 50 flat quarter miler and won every race he entered. Delbert Jackson was a consistent point winner in the discus, throwing the platter 125 feet. Other consistent men on the first year team were: Bell in the low hurdles and the broad jump; Ducrest in the middle distances; Daigle in the half; DeRouen in the dashes; and Arnaune in the mile run. These men are expected to fill the vacancies left on the varsity due to graduation.

Record of the season is as follows:

Freshmen.....	29	Normal Frosh.....	32
Freshmen.....	37	La. College Frosh....	58

May we, the Staff of 1936, express our appreciation to members of the Faculty and Students of Southwestern for their cooperation in the editing of L'ACADIEN. We wish particularly to thank Miss Muriel McCulla for her numerous contributions.

To Mr. Bing Crasby and Mr. Wally Westmare, head of Paramount Makeup Department, we desire to express our appreciation for their interest shown in the selections for the Feature Section of this Annual.

Mr. Harry De LaRue should receive a large portion of the credit for the success of this book. His has been the task, for the past ten years, of successfully supervising SOUTHWESTERN'S Year-Book. The Staff is deeply grateful to Mr. De LaRue.
